RELEVANT EXPERIENCE

Ned.ai (Herrmann International), London, UK **June 2026 - Present**
Product-Led Growth Intern

- Own UX and design decisions across the company website and product-led growth funnel, using PostHog analytics to drive iterative improvements against growth targets.
- Build and ship frontend features, contributing production code to the company's core product with the engineering team.

Dartmouth Design Corps, Hanover, NH **December 2025 - March 2026**
Design Consultant

- Selected through a highly competitive interview process for a Design Consultant role focusing on the application of human-centered design, creative problem solving, and design-thinking for client communication and solution development.
- Collaborated with Dartmouth administration to lead research initiative for college residential system redesign.

Adapt-a-Mask Independent Engineering Project, Hanover, NH **January 2025 - Present**
Co-Founder

- Lead a team of four students in designing and building a prototype of an enhanced pocket mask for outdoor medical rescue.
- Testing of the prototype shows a statistically significant reduction in air leakage versus standard (P-value of .000019).
- Patent pending with the United States Patent Office.

LEADERSHIP & ADDITIONAL ACTIVITIES

Dartmouth Ski Patrol, Lyme, NH **January 2024 - Present**
Volunteer Student Patroller

- Respond to on-hill emergencies and administer medical care at the Dartmouth Skiway for 12 hours/week.
- One of the 15% selected as the result of a 200+ hour application process spanning 5 months.
- Certified in Outdoor Emergency Care (Spring 2020), the 100+ hour medical course required by the National Ski Patrol.

Casual Thursday Improv Troupe, Hanover, NH **September 2023 - Present**
Vice President

- Structure and lead practices, schedule performances, manage group dynamics, and coordinate social events.
- Rehearse 8 hours a week with 5 performances per term.

Sexual Assault Peer Alliance, Hanover, NH **March 2025 - Present**
Active Member, Small Group Leader

- Serve as a Dartmouth-endorsed peer resource to survivors and bystanders of gender-based violence on campus.
- Applied and accepted to a 48+ hour training course focusing on motivational interviewing skills.
- Lead 2-hour "small group sessions" 2 times a week for training of incoming members.

Dartmouth First-Year Trips, Hanover, NH **August 2024 - September 2025**
Grant Crew Member (2024), Hiking Leader (2025)

- Organized and managed Dartmouth First-Year Trips as a hiking trip leader and crew member in the Second College Grant.

Pri Dolencu Organic Farm, Radovljica, Slovenia **June 2024 - August 2024**
Volunteer Farmer

- Volunteered on an organic farm in rural Slovenia, assisting with planting and harvest.
